Notes:

This document contains important information regarding your contract and should be retained for safekeeping and future reference. The contract's current value is valid as for the day of this summary and will change as the funds' prices change. The units held under this contract will vary due to the existence of contract charges as specified in your contract wording. The current amount may not be fully available for withdrawal if this contract is within the early encashment period. Please refer to your contract documents for details on this matter.

Your BMI representative will be able to provide help regarding this statement and any other requirement related to this contract. Should you need additional information you may also contact the Customer Support Department at support@bmicos.com.
